CLUB NOTES

DISAPPOINTING ANTI-CLIMAX AT BRISTOL

WITH TWO home games drawn, then a defeat at Bristol, our bid to escape relegation did not work out quite as all North Enders had hoped, even expected in view of the team's previous form, though happily the desired outcome has been realised. North End will **NOT** make their predicted first acquaintance with Division Three.

Supporters can be sure of one thing: the utmost effort will be made to prevent any repetition of the alarming situation of the past few months. The anxiety it caused both within the club and to our followers is too painful a memory for anyone to want to go through it again, either next season or ten years hence.

Rather must all connected with North End think of recent circumstances in reverse, with our sights fixed on the top of the table, and our aim that of getting back into the First Division and reviving the glories of this famous club. Remember it is only 10 years since we were League runners-up with a record 59 points.

After the Easter away wins at Blackburn and Derby, which took our revival to its peak, it was confidently anticipated that we would go on collecting points and attain a more respectable position. The results proved once more that the Second Division is a tough competition, with an easy match a rarity indeed.

The strain on the players, of course, has been considerable and of long duration, but they are professionals and know what to expect. Thus the reaction which contributed to the severe defeat at Bristol, granted that the City were determined to make their own situation secure, was extremely disappointing.

CLUB NOTES—*continued*

We were hoping that, having become safe from the threat of relegation, the team would relax and play in a more carefree manner. Unfortunately, instead of resulting in a better display the reaction at Bristol was the kind that can only lead to defeat. Yet the damage was done in two brief spells, one in each half.

The result might have been different if a goal early on by Ray Charnley had not been disallowed on a very fine point of offside. Even after two quick goals by Bristol, Willie Irvine's headed goal which made the half time score 1-2, gave us a chance to save the game. This disappeared with City's third goal.

An ironic feature was that in this game our defence conceded as many goals as in the previous eight, a fact which perhaps accentuates the merit of fighting back to gain 12 vital points from these matches, as this record shows :

Aston Villa	*h*	2	1	Blackburn Rovers	*a*	1	0
Huddersfield Town	*h*	3	1	Derby County	*a*	2	1
Bolton Wndrs.	*a*	0	0	Derby County	*h*	1	1
Birmingham City	*h*	0	0	Middlesbrough	*h*	0	0

The value of this fine recovery is best seen in the light of the eight previous results following Christmas: P8, W1, D2, L5, Goals F5, A14, Pts.4. Good performances in our remaining three games will enhance its merit.

Our Central League team regrettably came unstuck in two of the last three home matches which — inexplicably in view of their excellent form for three months — they lost by the only goal. Since February 3rd, when 27 games had been played for 26 points, the Reserves have achieved this excellent record:

P.	*W.*	*D.*	*L.*	*F.*	*A.*	*Pts.*
14	9	3	2	30	14	21

But for 18 points being lost at Deepdale through six defeats (five of them by 0-1) and six draws North End would have been well in the running for the Championship in their best Central League season for many years. The full return is:

	P.	*W.*	*D.*	*L.*	*F.*	*A.*	*Pts.*
Home	21	9	6	6	40	20	24
Away	20	10	3	7	38	37	23
	41	19	9	13	78	57	47

SOCCER FROM THE INSIDE

LOOK OUT ! The Yanks are coming . . . and this time they're coming to play soccer.

As a result of talks with Football League Secretary, Alan Hardaker, in Houston, last summer a party of the best schoolboy footballers in the state of Texas is making a month's tour of England starting on August 5th.

Says the organiser Ron Griffiths: "We are bringing our two best teams whom we call the 'Longhorns' and the 'Shorthorns.' We want to play any boys' teams in England between the ages of 14 and 17. All we want in the way of promises is a good pitch. "We aren't coming to beat the English at their own game, but to learn from the experience of playing in the home of soccer."

The Texas boy footballers are making their training headquarters in Leeds which they reach on August 5th. They plan to go from there up the east coast to Scotland and then down the West coast, via Blackpool, to get to London for their flight back to the States on September 2nd.

"We shall be taking in every top professional game we can," says Ron Griffiths, "and in between we hope to arrange a posse of games."

Want a match with the Yanks ? Write to Ron Griffiths at Box 1308, Denton, Texas, where his 'phone number is 76201.

OUR VISITORS—*Millwall*

TO-DAY we welcome "The Lions" of Millwall, a nickname derived from where they play their home games, The Den, New Cross. Founded in 1885 as Millwall Rovers, and known later as Millwall Athletic, the club took a leading part in founding the Southern League, and figured conspicuously in it from 1894 to 1920.

The original team played on land near Millwall docks in that part of London known as the Isle of Dogs, so called because Queen Elizabeth I, when in residence at Greenwich Palace, kept her hunting dogs there across the River Thames. In 1890 the club moved to another ground in that area.

Turning professional in 1890, so becoming one of the first London clubs to do so, Millwall substituted Athletic for Rovers in 1893, although they had not yet stopped roving. Seventeen years later the club once more crossed the river to settle down at New Cross. The new ground became a veritable lion's den for visitors.

During three recent seasons in a run exceeding 50 matches the Millwall lions were undefeated at home. The club gained admission to The Football League in 1920 along with most of the Southern League clubs. Promotion was gained from the Third Division (Southern Section) in 1928 with a championship-winning total of 63 points.

Soon afterwards North End gained a memorable victory by 7-5 at the Den after a railway journey so cold that tea served in the team's saloon froze in the bottom of cups. That night there was a blizzard in London. Both teams played hard to keep warm and rewarded the shivering crowd with 12 goals for a "bob."

OUR VISITORS—*continued from page 9*

North End's right wing, Alec Reid and Tom Scott, and centre forward Ned Owens, did the scoring. A director grumbled on the way back that the left wing, Jimmy McClelland and George Harrison, had done nothing! They hardly got the chance.

Millwall's visits to Deepdale have been infrequent. Although both clubs have been in Association football for more than 80 years, they have met only 15 times in the League. These games have resulted in five wins for Preston, two draws and eight defeats, by 26 goals to 32, an average of nearly four per game.

North End have won one F.A. Cup-tie with Millwall, and lost one, both away games played in 1903 (1-4) and 1948 (2-1). The second was a terrific struggle on Millwall's blitzed ground with arrangements for crowd and V.I.P's alike very much of a temporary nature. The Press were among the crowd behind one goal!

In the F.A. Cup Millwall have reached the semi-final stage three times, in 1900, 1903 and 1937 when, had they defeated Sunderland, they would have met North End in the Final. A Cup-tie in this season set up Millwall's crowd record of 48,327.

MILLWALL PLAYERS

Bryan King (*goalkeeper*). A 6ft. 2 in. youngster of 20, signed this season from Chelmsford City (Southern League). Has given some convincing preformances.

John Gilchrist (*right back*). Born Wishaw, Lanarkshire, and played for Scotland as a schoolboy. Previously with Airdrie. Signed for Millwall in 1961, is completing a successful seventh season.

Harry Cripps (*left back*). Born Plaistow, London. Age 26. Previously with West Ham United. Another long serving player in his seventh season.

Ken Jones (*right half*). Born Keighley, Yorks, 1942. Formerly with Southend United, he became a Millwall player in September, 1964.

Barry Kitchener (*centre half*). Born Dagenham 20 years ago, and earned honours with Dagenham Schools' team. Progressed through Millwall's colts, starting at full back.

Dennis Burnett (*left half*). Born Southwark and signed by Millwall at the start of the season from West Ham. Started at full back.

Derek Possee (*outside right*). Also born Southwark. Recruited from Tottenham Hotspur last August. Although small (5ft. 5ins., 9 stone), is a fast and nippy raider who needs watching.

Keith Weller (*inside right*). Born Islington and cost Millwall their record fee when they signed him from Spurs 12 months ago when he was 21. Can play in any forward position.

Bryan Conlon (*centre forward*). Born Shildon and was obtained from Darlington after he had shone against Millwall in a League Cuptie last October. Previously with Newcastle United, he went into non-League football for a time.

George Jacks (*inside left*). Another Londoner — born Stepney. With Queen's Park Rangers before joining Millwall in July, 1965. Versatile 21-year-old, has also figured at half back.

Billy Neil (*outside left*). Born Roslin, Midlothian, and signed for Millwall in March, 1964. Formerly played for Hibernian and Bonnyrigg Rose.

Richard Plume (*substitute*). An 18-year-old half-back. Born Tottenham. Product of Club's youth policy and signed as professional two months ago.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that FULL USE SHOULD BE MADE OF THE CAR PARKS WHICH ARE PROVIDED.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will AVOID BEING PROSECUTED for inconsiderate use of the highway.

YOUNG SUPPORTERS WARNED

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators have come on to the pitch during matches. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.
